## SUMMARY

I am Iqbal Mauludi Pratama, an **Informatics Engineering** graduate from **STMIK Muhammadiyah Paguyangan Brebes** with expertise in **Next.js, Nuxt.js, Express.js, and Laravel**. I have hands-on experience in **front-end** development for **SMART Platform** and **Assessment Center Streamline** at **ASI Asia Pacific**. Additionally, I developed **full-stack** system for the **Kalijurang Village Profile and Population**. I am passionate about web technologies and eager to bring my skills to innovative projects.

## SKILLS

- **Programming:** JavaScript, TypeScript, PHP, HTML5, CSS3
- **Frameworks/Libraries:** React, Vue, Next.js, Nuxt.js, Node.js, Express.js, Laravel, Filament, SASS
- **State & Validation:** Redux, Pinia, Zod
- **UI/UX & Animation:** Figma, Animate on scroll, Motion
- **Database & ORM:** MySQL, MongoDB, Prisma
- **Development Tools:** Git, Bitbucket, Postman
- **Server & Network :** Basic Linux Server, MikroTik

## EXPERIENCE

**Campus Coder by CODEPOLITAN** - Remote Learning

Jan 2024 - 2025

*Fullstack MERN Scholarsip Program*

- Awarded a one-year coding scholarship for an online Fullstack MERN training program ( MongoDB, Express, React, Node.js ).
- Completed various hands-on projects and coding exercises to strengthen practical skills in web application development.
- Achievements: Gained solid proficiency in MERN technologies, improved problem-solving and debugging capabilities.

**PT. Aneka Search Indonesia ( ASI Asia Pacific )** - Setiabudi, South Jakarta, DKI Jakarta

Mar - Sep 2024

*Frontend Developer Project*

- Contributed as a Frontend Developer in implementing SMART Platform, Online Test Application, and AC Streamline.
- Proficient in React with TypeScript, including state management using Redux, and schema validation with Zod.
- Collaborated in integrating web services and APIs to support data exchange across systems.
- Achievements: Enhanced problem-solving skills, teamwork, optimized application performance and scalability.

**KALIJURANG VILLAGE OFFICE** - Brebes, Central Java

Feb 2022 - Jun 2023

*Fullstack Developer Project*

- Responsible for designing and implementing a village profile and population information system based on a website.
- Utilized MySQL for database management and optimized queries for handling demographic data efficiently.
- Faced challenges in overcoming technical obstacles and adapted to changes in project requirements.
- Achievements: Enhanced full-stack development and technical expertise.

**PUTRA MANDIRI COMPUTER** - Brebes, Central Java

Feb - Apr 2018

*IT Support Intern*

- Configured and maintained MikroTik routers, including network setup and troubleshooting.
- Performed network and computer maintenance, diagnosing and resolving hardware/software issues.
- Achievements: Gained hands-on experience with basic server management and technical documentation.

## EDUCATION

**STMIK MUHAMMADIYAH PAGUYANGAN BREBES** - GPA 3.42

2019 - 2023

*Bachelor of Informatics Engineering*

- Learned C++ programming fundamentals, including basic mobile and desktop application development.
- Built dynamic websites using PHP and MySQL.
- Studied web development using CodeIgniter 3 as MVC framework.
- Gained knowledge in network configuration, including basic MikroTik routing and bandwidth management.

**SMK MUHAMMADIYAH BUMIAYU**

2016 - 2019

*Computer and Network Engineering*

- Learned the basics of computer networks, LAN setup, and troubleshooting hardware/software issues.
- Learning web programming with the implementation of HTML, CSS, and JavaScript.
- Completed Field Work Practice ( PKL ) as IT Support at Putra Mandiri Computer.
- Rank 2nd parallel in the Computer-Based National Exam ( UNBK ) for Vocational High Schools Muhammadiyah Bumiayu 2019.

## ORGANIZATION EXPERIENCE

**PK IMM AHMAD DAHLAN STMIK MPB**

*Research and Scientific Development Field*

- Administrative and Organizational Management Exercises.
- Participants of Commissariat Deliberation and DAD PC IMM.

**MAPALA SAKTI STMIK MPB**

*Environmental Division*

- Committee on Survival Training.
- Participant of Survival Training.
